

Unloaded Firearm Declaration

Flight Date:	Flight Number:	From:	To:
-----------------	-------------------	-------	-----

I understand that the carriage of a loaded weapon is a violation of federal regulations. I therefore declare the following regarding firearm(s) contained in my luggage:

1. The firearm(s) chambers are free of ammunition and the magazine/clip has been removed (when applicable)
2. Loaded magazines/clips are packaged to prevent accidental activation of the primer.
3. The unloaded firearm(s) is inside a hard-sided, locked container and I alone am in possession of the key or combination.

I also understand that state laws vary regarding registration, possession and carriage of weapons. I acknowledge that I am responsible or knowing and following the firearms laws of the state(s) to and through which I will be travelling.

Passenger Signature: _____

Passenger printed name: _____

Instructions:

This form is signed by passengers wishing to transport unloaded firearms in checked luggage. The passenger shall NOT remove any weapon to demonstrate that it is unloaded. Any handling of the weapon shall only be conducted OUTSIDE the sterile area.

The GSC or coordinating employee who has the passenger complete this form shall observe the form being placed in the locked container in proximity to the firearm. The employee shall then report to the PIC that an unloaded firearm is being transported in the baggage compartment.
